Orex Closes Non-Brokered Private Placement

Vancouver, BC – Orex Minerals Inc. – (TSX-V: REX) (“Orex” or the “Company”) announces that it has closed a non-brokered private placement offering of 4,800,000 common shares of the Company at a price of \$0.25 per share for gross proceeds of \$1,200,000 (the “Private Placement”). Orex intends to use the net proceeds of the Private Placement for continued exploration and development of its Los Crestones Property located in Sinaloa, Mexico and for general corporate and working capital purposes.

The total number of shares outstanding after the closing of the Private Placement is 101,890,199. Orex paid a finder’s fee of 48,000 shares to an arm’s length individual in connection with the Private Placement. The Private Placement is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals including the approval of the TSX Venture Exchange. All securities issued pursuant to the Private Placement are subject to a four month and one day hold period, which will expire on May 20, 2015.

The shares have not been and will not be registered under the U.S. Securities Act of 1933, as amended, or any state securities laws and may not be offered or sold in the United States or to U.S. Persons absent registration or an applicable exemption from registration. This press release is not an offer or a solicitation of an offer of securities for sale in the United States, nor will there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

ON BEHALF OF THE BOARD OF DIRECTORS
